Joint Logistics Education Update

10 June 2009

Lt Col Kris O'Brien
JS J4 / KBLD
703-571-0018
Kristina.O'Brien@js.pentagon.mil

Overview

- Joint Logistics Education Initiatives
  - Defense Logistics Education Executive Workshop
  - Joint Logistics Courses
  - Multinational Work
  - Other Initiatives

- Synergistic Effect with Other Initiatives
  - Center for Joint & Strategic Logistics Excellence (CJSLE)
  - Human Capital Strategy (HCS)
  - Operational Military Education Policy (OPMEP)

Defense Logistics Education Executive Workshop

- Senior Level Planning Workshop to frame future courses of action (COA) for developing logistic leaders
  - 3-Way Partnership
    - Military / Industry / Academia
  - Develop Future Leaders Across the Enterprise
    - Military / Civilian / Government / Industry
- Agenda Items
  - Center for Joint & Strategic Log Excellence
    - Current Initiatives / Landscape analysis discussion
  - Senior Logistic Leader Competencies
  - Logistic “Areas of Emphasis” for Academia
- Second Workshop held on Thurs, 30 Apr 09 from 1330 – 1630

Defense Logistics Education Executive Workshop

4

- **Senior Logistic Leader Competencies**

Leadership & Mgt Competencies

- Leading Change (Creativity / Innovation, Strategic Thinker/ Vision, Risk Management)
- Leading People (Conflict Resolution)
- Business Acumen
- Enterprise Wide-Perspective (Work Cross-Functionally)

Logistic Competencies

- Operational Logistics
- SCM
- Distribution
- Cross-Functional Experience
- Logistic Mgt Info Systems
- Life Cycle Mgt

- ***Based on analysis of inputs, highest ranked competencies fell into two categories…Leadership & Management and Logistics***

Defense Logistics Education Executive Workshop

- Logistic Areas of Emphasis for Academia
- Reviewed Army Logistics Mgt College's (ALMC) 12-Point Core Logistic Curriculum… baseline for discussion
  - Are current Academic Discipline areas on target?
  - What Academic Disciplines are outdated?
  - What Academic Disciplines need to be added?
- Potential to develop into a Defense Program
  - Update 12-Point Curriculum…develop into logistic "Areas of Emphasis" based on Service / Agency / Industry input
  - Partnership / Collaboration

Defense Logistics Education Executive Workshop – Way-Ahead

Follow-on AO-level WG (4-6 Aug 09):

- Further refine/define Senior Logistic Leader Competencies
  - Focus on functional competencies / leverage HCS & TRANSCOM work
  - Discuss potential COAs to influence Human Resources community
- Further refine Logistic "Areas of Emphasis" for Academia
  - Explore areas / provide recommendations
  - Recommendations for developing a Defense Program / Partnership
- Next Exec Workshop: Thurs, 22 Oct 1330 – 1630

• Competency work will influence Logistic "Areas of Emphasis" and CJSLE's Joint Logistics Core Curriculum

Joint Logistics Courses

- Joint Logistics Course / DAU Continuous Learning Module CLL 016
  - Updated to mirror Joint Pub 4-0 *Joint Logistics*
  - Available on DAU site (accessible by everyone): http://www.dau.mil/basedocs/continuouslearning.asp
  - Available Jun 09 on JKO
    - J4OP-US425 / Joint Logistics Course
    - Note: Many other relevant courses available on JKO… USAID 101, Operational Contract Support, etc. …can be great classroom resource

Joint Logistics Courses

- Joint Logistics Course @ ALMC
  - Review & revise annually / “operationalizing” curriculum
    - New Blocks: COCOM Hot Topics / Service & Agency Panels / Updated many briefings, including Operational Contract Support
    - Need to develop Interagency Block…opportunities for synergy with CJSLE & other institutions
  - Socializing course with senior leaders…right people to the course, continue to expand course opportunities
  - Future: Attend enroute to joint assignment, increased mobile training teams to COCOMs

Quadrilateral Logistics Forum (QLF) Log Training Requirements Working Group

QLF LTRTWG met 20-24 Apr 09:

- Completed final validation of 130 Multinational (MN) Logistics Training Objectives (TO), to include inputs from ISAF
- Prioritized TOs for incorporation into MN Log E-Learning Module; scheduled to begin development Aug 09
- Outlined / prioritized seven COAs for improving MN Log Officers' ability to operate in a MN environment; plan to implement four:
  - MN Log E-Learning Module (Australia lead)
  - Incorporation of Log TOs into NATO MN Log Course
  - Coalition participation in UK LOGEX 2010 / Coalition participation as controllers in US War Colleges' annual exercise
  - Formalizing a Coalition Log Officer Exchange Program, based on Canada/NZ model
- Next WG scheduled for Nov 09 to prep for QLF Principal Meeting in Feb 10

Other Joint Logistics Education Initiatives

- Teamed with CJSLE, OSD & JFCOM J7 to present Joint Log Education update at JS J7 Worldwide Training & Exercise Scheduling Conference, Mar 09
  - Socialized initiatives with COCOM Training Community
- Incorporated Joint Logistics block into JS J7's new Joint Officer Handbook
  - Distributed to 100% of new joint officers at in-processing (Jul 09)
- Presenting Joint Logistics Curriculum work / way-ahead at JS J7's Joint Faculty Education Conf, 18-19 Jun 09
  - Logistics accepted as a sub-learning area for PME in updated OPMEP being staffed for CJCS signature Jun 09

Summary

4

- Multiple on-going initiatives
- Leverage capabilities / build synergies

- New Joint Logistics Education POC:
  - Lt Col Mark Evans
    - 703-571-0018 / mark.evans@js.pentagon.mil
